

# indoor st - easy roll

## PREMIUM TURF ROLL SYSTEM

**Indoor ST – Easy Roll** is our Indoor ST turf system featuring DuraPlay backing for loose lay removal applications. The textured 40 oz. polyethylene offers an excellent ball roll and provides superior wear resistance with much less abrasive surface than nylon or polypropylene. Double-sided tape can be used to hold seams together and allow for easy installation and removal.

## PERFECT FOR

- INDOOR FIELDS
- TRAINING FACILITIES
